Please remember that the dogs at Appledown Rescue are mostly strays and, therefore, have unknown backgrounds and possible problems. We will give you as much information as we can about each dog, but we do not live with them in a home. We do, however, know them very well and want you to phone us if you have any problems, big or small. We are available between 10am and 1pm or 2pm and 4pm., 7 days a week, except immediately over Christmas and the new year.

There is a minimum 7 day break between reserving and final adoption, when we will expect you to visit at least a few times. Your signature confirms that you understand and will comply with this cooling off period being in place.

We will carry out a home check before adoption and a follow up visit after adoption, as a minimum. We may also visit at a later stage if it is deemed necessary. Your signature agrees to this procedure.

We aim to neuter all dogs before adoption, assuming they are old enough. You agree to neuter within 6 months for an adult or 12 months for a puppy if we have not been able to do this.

The fixed minimum donation that we ask for adoption is £180.00. The money helps to care for all of our dogs and is NOT a purchase price.

DO YOU UNDERSTAND THAT ALL DONATIONS ARE NON-REFUNDABLE? YES / NO*
